Edward Willson

Edward Willson's sculptural works are well known in Bermagui from his association with Sculpture on the Edge.

He studied art at the College of Fine Arts in Sydney and has exhibited overseas as well as in Australia.

He works mainly with granite and marble, the hard stones.

The works included in this exhibition have evolved to another realm, exploring the flow of life and taking inspiration from space, connections and nature.

 **IVY HILL GALLERY**
Open Thursday to Sunday 10 - 5
1795 Tathra Bermagui Road Wapengo 2550
02 6494 0152 www.ivyhill.com.au
